### Frequently Asked Questions

<b>Am I covered for severe visual problems not correctable with regular lenses?</b>	Yes, this is referred to as Low Vision benefits. You are covered for \$1,000 individual maximum every 2 years in and out of network combined for all Low Vision services and materials. There is no deductible. There are two different benefits included – Supplemental Testing and Supplemental Aids. Refer to your certificate of insurance for full details.
<b>When can I enroll?</b>	You can enroll when you are initially eligible for benefits and during any subsequent annual enrollment period defined by your employer or if there is a life status change, such as involuntary termination under another policy.
<b>Are my dependents eligible for coverage?</b>	Your spouse or domestic partner, and your dependent children up to the end of the month they reach age 26 are eligible.
<b>How do I find an in-network provider?</b>	To find a provider near you, please visit <a href="http://www.equitable.com/findvision">www.equitable.com/findvision</a> .
<b>Are there major retailers in-network?</b>	Yes, the VSP network includes retail chain locations like Walmart/Sam's Club, Costco Optical® and Cohen's Fashion Optical®, RX Optical, Wisconsin Vision, Eyeconic. Visionworks, while not a retailer, is also in-network.
<b>Can I see a provider outside of the network?</b>	Yes, you can see a provider outside of the network, but your out-of-pocket cost will likely be higher as out-of-network providers have not agreed to discounted rates on their materials or services.
<b>If I get frames, can I get contacts too?</b>	Frames are in lieu of contact lenses. You are not eligible to receive both in the same benefit period.

---

**If I have additional questions, who can I talk too?**

Please don't hesitate to contact us at 1 (866) 274-9887.

---

**Will I receive a vision ID card?**

No because providers only require the employees name, SS# and DOB to verify benefits. However, if you would like to do so, you can go to [www.vsp.com/create-account](http://www.vsp.com/create-account) or [vsp.com/register.html](http://vsp.com/register.html) to register with VSP and obtain an ID card.

---

**Does the lower Costco in-network frame allowance mean a higher out-of-pocket cost to me?**

No, this is because Costco's model is closer to wholesale pricing with minimal mark-up as compared to our other in-network providers. So, although Costco frame allowances are lower, you do not incur any additional out-of-pocket expense by visiting a Costco provider. The Costco in-network providers just agree to accept a lower fee as payment in full.

---

**Does my plan offer any additional discounts?**

Yes, there are discounted benefits and special offers included as value adds to your plan if you visit an in-network provider. Note that these discounts are not applicable to Walmart or Costco, except as noted. These discounts are subject to VSP change.
